**CAUTION!**

See back for additional precautionary statements.

## HOW IT WORKS

Homeowners, gardeners, professional landscapers and commercial growers have discovered Agrishield Buck Off stops herbivore damage. Unlike other herbivore repellents that require the animals to browse to be effective, Agrishield Buck Off works on scent, so herbivores don't even have to take a bite to be repelled. Because the animals' natural aversion to this scent will never diminish, Agrishield Buck Off DOES NOT have to be rotated with other repellent brands.

### STOP. READ ENTIRE LABEL BEFORE USE.

## DIRECTIONS FOR USE

**SHAKE WELL BEFORE EACH USE.** Add 100ml of Agrishield Buck Off for each litre of water and thoroughly mix. With knapsack sprayers or mistblowers, apply liberally to plants and their perimeter during a dry period. Full cover spray onto the affected crop one week later and then once per month thereafter. The use of a sticker is recommended to ensure maximum effect.

**PLEASE NOTE:** When using this product you may notice an odour. However, once it dries, the odour will not be noticeable to humans, but remains very noticeable to animals.

## STORAGE AND DISPOSAL

### DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.

**STORAGE:** Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 5°C and 32°C. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

**CONTAINER DISPOSAL:** Do not reuse empty container. Dispose of empty container as required by municipal or local laws.

## PRECAUTIONARY STATEMENTS

### KEEP OUT OF REACH OF CHILDREN

**CAUTION.** This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs.

**NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

### \* GUARANTEE

If for any reason you are not 100% satisfied, Agrishield will refund the suggested retail price or replace this product. Agrishield will not be liable for any damage, direct or indirect. Refund or replacement of product is our only obligation.

per 10L Water

Verhouding 1:10

## HOE DIT WERK

Huiseienaars, tuis-tuiniers, professionele tuiniers en kommersiële produsente het ontdek dat Agrishield Buck Off, die skade wat bokke en knaagdiere veroorsaak, stuit. Anders as ander bok- en knaagdierafstoting-smiddels wat vereis dat die diere moet wei om effektief te wees, werk Agrishield Buck Off op reuk, dus hoef bokke en knaagdiere nie eers 'n hap te neem om afgestoot te word nie. Omdat die diere se natuurlike afkeer van hierdie geur nooit sal verminder nie, hoef Agrishield Buck Off nie met ander handelsmerke gewissel te word nie.

### STOP. LEES VOLLEDIGE ETIKET VOOR GEBRUIK.

## GEBRUIKSAANWYSINGS

**SKUD GOED VOOR ELKE GEBRUIK.** Voeg 100ml Agrishield Buck Off vir elke liter water en meng deeglik. Dien dit gedurende 'n droë periode mildelik toe op plante en hul omtrek. Gebiede waar die voedingsdruk van bokke en knaagdiere intens is, spuit Agrishield Buck Off een week later en daarna ongeveer een keer per maand. Die gebruik van 'n strooier word aanbeveel vir die beste effek.

**LET WEL:** As u hierdie produk gebruik, kan u 'n reuk opmerk. Sodra dit droog word, sal die reuk egter nie vir mense opmerklik wees nie, maar tog nogsteeds baie opmerklik vir diere.

## STOOR EN WEGGOOI

### MOENIE WATER, VOEDSEL OF VOER BESOEDEL DEUR OPBERGING OF WEGDOENING NIE.

**STOOR:** Bewaar in oorspronklike houër, op 'n koel, droë plek wat nie toeganklik is vir kinders en troeteldiere nie. Beskerm teen hitte en vriespunt. Bêre tussen 5°C en 32°C. Hou houers dig toe om verdamping te voorkom. Indien die produk mors, verdun met water en spoel weg.

**BESKIKKING VAN HOUER:** Moet nie die leë houër hergebruik nie. Gooi leë houër weg soos deur munisipale of plaaslike wette vereis.

## VOORSORGVERKLARINGS

### HOU BUITE BEREIK VAN KINDERS

**WAARSKUWING.** Hierdie produk kan skadelik wees indien ingesluk. Vermyn kontak met die oë. As in kontak kom met oë, spoel oë onmiddellik met baie water. Soek mediese hulp in beide gevalle.

**KENNISGEWING:** In die mate wat ooreenstem met die toepaslike wetgewing, aanvaar die koper alle verantwoordelikheid vir veiligheid en gebruik indien nie in ooreenstemming met aanwysings nie.
