Price Increase

Dear Sir/ Madam

As a valued Agrishield Africa customer, we greatly appreciate your loyal support. We are committed to providing our customers with products made from the highest quality ingredients, and we thank you for being part of our journey.

As per our letter dated 12th September 2023, we wish to remind you that as of the 1st March 2024 our prices will be increased due to increased exchange rates, and higher inflation rates.

Please refer to the attached new pricing schedule.

This was a challenging decision for our team to make, as we know it directly impacts our loyal customers. We want to be sure we can continue to provide you with our best, high quality products and this price increase will ensure that we are able to do so.

Thank you again for your support, we ask that you feel free to contact us with any queries you may have.

Please Note: We have brought in a 750 ml Snake Away and a 750 ml Mole Control due to problems with the bottles. We will no longer be producing the 1lt in these until we have found a suitable bottle.

Kind Regards
